

Glen Lake Community Library

EBooks for the iPad

Getting Started

1. You will need your Glen Lake Library patron number. Check with library staff if you do not have your card.
2. You will need to download an app from the App Store called **Overdrive Media Console- Library Edition**. The app will allow you to search the eBook collections through Overdrive, as well as allow you to read eBooks in the Adobe EPUB file format.
 - a. The first time you download an eBook in the Overdrive app, you will need to register with Adobe and get an Adobe ID; the Adobe ID is used to unlock the DRM (*digital rights management*) license attached to each lending copy of an ebook. **Remember your Adobe ID and password.**
3. If you would like to read Kindle edition books, you will need to download the separate **Kindle app** and register for an Amazon.com account. Remember your Amazon username and password.

Checking out eBooks

1. Open your Overdrive app; your Overdrive Bookshelf will appear.
2. Select the **Get Books +** button in the upper right hand corner.
